

July 2019

Dear Buffalo Central Terminal Train Show Vendor:

Thank you for your participation in past Buffalo Central Terminal Train Shows!

We are pleased to announce that the **2019 Buffalo Central Terminal Train Show** will take place on Saturday, September 7 and Sunday, September 8, from 10:00am to 4:00pm both days.

We are also very pleased to inform you that the Central Terminal Restoration Corporation has entered into a partnership with the Niagara Frontier Chapter – NRHS for this year's Train Show, **with the Niagara Frontier Chapter – NRHS becoming the 2019 Buffalo Central Terminal Train Show Manager and Operator.**

As the re-development of the iconic Buffalo Central Terminal complex moves forward in the years to come, the Central Terminal Restoration Corporation is redefining its role in the production and management of events at the Terminal. This new partnership with the Niagara Frontier Chapter is just one example of the Central Terminal Restoration Corporation's re-focus on the future.

While the Niagara Frontier Chapter will be handling and coordinating the registration and payment of all vendors for this year's Show, the Central Terminal Restoration Corporation volunteer staff will be actively assisting them to ensure that the vendor experience is as top-notch as you have come to expect.

With the exciting plans for the Terminal increasingly in the news around Western New York and the entire Northeast, we expect a great attendance at this year's Show, which will help boost your sales!

The Niagara Frontier Chapter Show Management Team are Rebecca (Becky) Gerstung (Show Manager), Chapter President Jim Ball and Chapter Comptroller Bruce Becker. Their contact information is on the enclosed Show information sheet. Many other Niagara Frontier Chapter members, along with Central Terminal Restoration Corporation volunteers will be helping to make the Show a success.

Enclosed is a vendor contract/registration form and detailed information for this year's Show. As a past vendor, we are affording you the opportunity to register and confirm your space before we open any remaining available space to new potential vendors. To ensure your participation please register and make your payment by August 10th! New this year, the Niagara Frontier Chapter is offering an on-line vendor registration and payment (via credit card) portal. See the attached information on how to access this easy, quick & **secure** registration portal.

PLEASE NOTE: Your vendor contract/registration and payment must be submitted directly to the Niagara Frontier Chapter – NRHS! Please do NOT submit these to the Central Terminal Restoration Corporation and/or to Buffalo Central Terminal! ALL checks must be made payable to 'Niagara Frontier Chapter – NRHS'!

If you have questions please contact the Niagara Frontier Chapter's Becky Gerstung, Jim Ball or Bruce Becker!

We look forward to your participation in making this year's Show a success! Thank you in advance.

Sincerely,

Mark
