2026 Annual Banquet Program

The London & Port Stanley Railway was an electric interurban railroad that ran between London, Ontario, and the lakeside village of Port Stanley, Ontario. For the railfans of the Chapter, who originally began operations as the Buffalo Chapter Railroad Enthusiasts in 1938 and shortly thereafter became the Buffalo Chapter NRHS, the L&PS was a favorite destination. We will revisit the L&PS through a special video featuring archival footage taken from the 1940s to the 1950s by the Chapter's own pioneer members Al Kerr, Harold Alhstrom, Bill Kessell, John Prophet and others.

Reservation Coupon must be received with full remittance no later than Friday **March 14, 2026**. For information call Nancy Andrycha at 716-442-5222

Note: No confirmations will be mailed. You may pick up your tickets at the door.
